S. M. SAUFLEY, Editor and Proprietor

Entered at the postoffice in Richmond as second class mail matter under Act of Congress of 1879.

Subscriptions are strictly cash-in-advance to all and paper will be stopped promptly when subscription has expired.

"Uncle Bill" Schooler, editor of the Commonwealth at Somerset, is going to be an applicant for State Printer. "Uncle Bill" once was connected with a newspaper in Richmond, and has many friends here. His real friends would advise him to stick to his country newspaper. The job at Frankfort only pays \$1,500 a year, and it will cost that much and more to live at Frankfort, to start on, let alone the political assessments, and thousand and one "extra" things that an office holder there is expected to "kick in" for. Those jobs at Frankfort are an illusion and a snare, Uncle Bill. We went to the "legislator" once and we know. However, if "Uncle Bill" insists on having it, we'd as soon see him get it as any Republican we know of "and a little sooner", since a republican has to succeed good old Mose Glenn when his time expires in about a couple of years, we believe it is.

BROKEN ENGAGEMENT

Basis For \$50,000 Suit Against Young Winchester Man

Suit for \$50,000 damages, growing out of an alleged broken engagement, was filed at Lexington by Miss Helen Rose Barlow, of Lexington, against Phelps Renick, Winchester. Plaintiff's petition says she and Renick were engaged for several months, during which time Renick took her to Clark County and showed her his farming interests and handsome residence, which would bring happiness and pleasure to them when they were married. She says about September 1 he announced his purpose of not marrying her and refused to converse with her about the matter. A similar suit was brought in the Jefferson Circuit Court several weeks ago, but service could not be obtained on Renick.

EASES A COLD
WITH ONE DOSE"Pape's Cold Compound" Then
Breaks Up A Cold In A
Few Hours

Relief comes instantly. A dose taken every two hours until three doses are taken usually breaks up a severe cold and ends all gripe misery.

The very first dose opens your clogged-up nostrils and the air passages in the head, stops nose running, relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

Don't stay stuffed up! Quit blowing and sunfiling! Clear your congested head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store. It acts without assistance, tastes nice, contains no opium—Insist upon Pape's. It

THIS BANDIT'S A BIRD

Tulsa, Okla., Nov. 24.—"Laughing Bill" Carlisle, Wyoming train bandit, apparently is making good in his announcement that he is Texas-bound. A telegram to a Tulsa morning newspaper, filed in Claremore, Okla., at 4 o'clock Sunday afternoon, said:

"I like Oklahoma fine. How's the chase? Carlisle". Claremont, a small town in the Northeastern part of Oklahoma, is approximately 150 miles south of Kansas City, on the Frisco Railroad. Efforts to apprehend the bandit in Claremont were futile. He has vanished again.

WORLD NEEDS BAPTIST MESSAGE

The American Constitution owes many of its best provisions, including the guarantee of freedom of speech, religious liberty, separation of church and state and right of petition to the labors and influence of Baptists.

Today when Europe is being made over again and practically the whole universe is in a process of reconstruction, the world needs the following fundamental truths espoused by Baptists:

Jesus Christ is man's only Savior.
Spiritual regeneration, through faith in Jesus Christ, necessary to salvation.
Church membership composed only of converted baptized persons.
The direct personal approach of man to God without any earthly mediator.
The supreme sovereignty of Jesus in all matters of the soul.

Man's direct personal responsibility and accountability to God.
Absolute separation of church and state.
Full religious liberty for all, Jew and Gentile alike.
Self determination in all religious matters for all individuals and churches without any overhead direction or management.
The Bible, without any deductions or amendments, the only authoritative guide for Christians.

Baptists are persuaded that these principles are those enunciated by Christ Himself, the author of the Church. The

Baptist 75 Million Campaign

represents their five-year program for the further propagation of the gospel along these lines in all parts of the world.

All who believe these truths are good for sinful, suffering humanity are invited to have a part in
